Customer Reviews, including Product Star Ratings help customers to learn more about the product and decide whether it is the right product for them. To calculate the overall star rating and percentage breakdown by star, we don't use a simple average. Instead, our system considers things like how recent a review is and if the reviewer bought the item on Amazon. It also analyzed reviews to verify trustworthiness. Direct instruction of important, useful, or difficult words for each grade level helps students successfully comprehend content area texts and improve test results. In Books K-1, students are introduced to vocabulary through a carefully sequenced progression of activities that develop sophisticated oral vocabulary. Books 2-12 incorporate the use of context clues, word study (Greek and Latin roots, prefixes and suffixes, and synonyms and antonyms), reading comprehension, and writing. The words chosen for Wordly Wise 3000® were selected to expand critical grade-level vocabulary and improve reading comprehension. The words are mainly Tier 2 words—high-utility, academic vocabulary—with a healthy smattering of Tier 3 words—domain-specific academic vocabulary. Words from each lesson are commonly encountered in: grade-level literature content-area reading textbooks high-stakes tests – including the PSAT, SAT, and ACT Video Overview Vocabulary is Key to Reading Success abate become less in amount or intensity acknowledge declare to be true or admit the existence or reality of agent a representative who acts on behalf of others authority the power or right to give orders or make decisions devastate cause extensive destruction or ruin utterly epidemic a widespread outbreak of an infectious disease estimate judge tentatively evil expel or eject without recourse to legal process impartial free from undue bias or preconceived opinions industrious characterized by hard work and perseverance infuriate make extremely angry irrelevant having no bearing on or connection with the subject at issue precise sharply exact or accurate or delimited sham something that is a counterfeit;
